

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Director of Beaches and Harbors
Director of Public Works

At its meeting held November 1, 2005, the Board took the following action:

64-A

Supervisor Knabe made the following statement:

“Two independent reports were released in the past week that offered a negative assessment of conditions in the County of Los Angeles in two important service areas. In the first report, the American Society of Civil Engineers suggested the County of Los Angeles will require over \$50 billion in infrastructure improvements within the next five years. In the second report, Heal the Bay reported that over the summer, beaches along the Los Angeles County coastline posted the poorest water quality conditions in the past five years of measurements.”

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Yaroslavsky, unanimously carried, the Board:

1. Instructed the Director of Beaches and Harbors to review the results reported by Heal the Bay regarding the beaches along the Los Angeles County coastline posting the poorest water quality conditions in the past five years of measurements;
2. Instructed the Director of Public Works to review the results reported by the American Society of Civil Engineers which suggested the County of Los Angeles will require over \$50 billion in infrastructure improvements within the next five years; and

(Continued on Page 2)

64-A (Continued)

3. Instructed the Directors of Beaches and Harbors and Public Works to report back to the Board within 60 days with an assessment of the findings in the two reports.
